

Personal Pathways to success™  
**WACCAMAW  
REGIONAL EDUCATION CENTER**

Serving the counties of Georgetown, Horry and Williamsburg

### **Coastal Carolina University ACT Allstars**

**In a partnership with Horry County Schools and Coastal Carolina University, 8<sup>th</sup> grade students are challenged to do their best on the ACT Explore test. College Ready is Career Ready. Explore results are an excellent predictor of College Readiness. A well-educated student will make a stronger South Carolina workforce, strengthening our economy. Students who meet ACT Benchmark Scores are on their way to a successful Personal Pathway.**

**To encourage students to do their best, Coastal Carolina University offers a “Day in the Life of a College Student” to 8<sup>th</sup> graders who score 19 or higher on the ACT Explore test. Over the past five years, this incentive has doubled the number of students reaching this benchmark.**

*Students who scored 19+ on ACT Explore test visit Coastal Carolina University*
