Serving the counties of Cherokee, Spartanburg and Union

Education and Economic Development 101

Teachers, counselors, and administrators attended Education and Economic Development 101 Class July 9-12, 2012. The Upstate Regional Education Center facilitated speakers and tours of the high demand clusters of STEM, Manufacturing, Business and Health Science based on current workforce data.

Thirty-two participants were provided information and tours from CH2M Hill, USC Upstate, Duer Carolina Coil, Milliken, Spartanburg Community College, Spartanburg Regional Medical Center, It-oLogy and SCOIS.

- Implemented school district information sessions
- Hosted parent labor market information sessions
- Integrated classroom lesson plans
- Presented at faculty meetings
- Sponsored district wide tours

Education & Economic Development 101 participants at The George Dean School of Business, USC Upstate.
